

Thanaa Moolla Fund Raising Dinner

Thanaa Moolla is a 3 year old girl who was diagnosed with profound hearing loss (Deaf) in February 2007. An amazing bit of technology called Cochlear Implant is available which guarantees her of hearing. Thanaa received her 1st Cochlear Implant last year which is proving to be a great success. She is responding to sound and has been enrolled in a special school for the hearing and speech impaired children. Unfortunately the cost of this long operation and technology comes at a huge cost of which our medical aid company does not cover entirely. In aid of raising funds for this operation we are hosting a dinner at an exclusive Golf Estate. The dinner is being held at the prestigious Blue Valley Golf & Country Estate in Midrand Johannesburg.

The dinner is scheduled for the 24 August 2008 and the function begins at 17:00pm.

The cost is R 200, 00 per person & can be paid at the registration desk or prior to the event. (Please contact us for banking details)
The dinner will be served as a 3 course meal and will follow after the golf day prize giving and speech.
